7TH H JUSE M JON

Aquarian Music for the New Age

7th House Moon manifests light, life and love in humanity. Guitars, synthesizers, percussion and crystal bowls combine, using traditional, classical and modern expressions inspired by "sacred sounds" from all cultures and religions, to create a new sound for all to enjoy.

Commonality
Greater than our differences
Hearts in alignment
Connected to the universe

Alignment

"Alignment" started out as a totally different song...but one day while practicing, we played it in a new way and it has taken this form ever since.

Ode to Mr. G.

"Ode to Mr. G" was inspired by the book Meetings with Remarkable Men by George Gurdieff. It is a song about a camel caravan crossing through the desert.

Coyote's Message

The Trickster takes many forms in many cultures. With the coyote taking that form in the some Native American traditions.

Sometimes using other ways to achieve a positive result.
